CDW reduces the hirer's excess to zero for accidental damage and must be chosen at the start of the booking. Cover includes theft, all glass and mirrors (including the windscreen), lights, wheel hubs and bearings, the undercarriage, and 1 tyre. 24/7 breakdown assistance for mechanical issues is provided within Kenya. CDW does not cover personal belongings, personal injury, rented camping equipment, or negligence towards the vehicle or equipment. Night driving between 6:30pm and 6:30am is not permitted. The excess applies per hire. With CDW, the USD 250 security deposit covers costs CDW does not, such as missing fuel, traffic fines and damage to camping equipment; any unused amount is refunded. Deposits are paid by card or bank transfer and refunded within 5 working days of inspection.
