

BLACK LEOPARD

4 X 4 HIRE 🐾 EAST AFRICA

Equipment List

When you hire a rental vehicle where the **Fully Equipped** option (camping) is selected and included in the camping rental rates, it comes ready for adventure! The camping equipment provided will allow one to live out of the vehicle for extended periods. There are solar bag showers provided but no toilet facilities, although most campsites do have these. Camp and safari equipment is selected on the basis of durability and user friendly application. The kitchen equipment is set up for a maximum of 4 pax, add ons are available. Black Leopards Unequipped vehicles do come with a fridge as standard.

The Toyota Hilux is the only vehicle that can take 2 x roof tents all other vehicles can only take one roof tent with the option of ground tents as additional tents.
