

Equipment List

When you choose the Equipped (camping) option, your vehicle comes ready for adventure with everything listed below, so you can comfortably live out of it for extended periods.

The kitchen kit is set up for up to 4 people, and add-ons are available for larger groups. Every Black Leopard vehicle, equipped or not, comes with a fridge as standard.

Solar bag showers are included. **Toilet** facilities are not, but most campsites have them.

Tents: The Toyota Hilux is the only vehicle that can carry **two** roof tents. All other vehicles take one roof tent, with ground tents available as an extra.
